Adam meeting business owners in Downtown Shelton with Jimmy Tickey

ADAM HELLER for STATE REP.

Adam is both pro-worker and pro-business. Adam knows we need an economic agenda that works for middle-class families and small businesses.

Adam will work to:
- Lower taxes and bring predictability to CT's finances
- Cap the Governor's Bonding Authority
- Reduce Management and Administration Costs in the State Government
- Require Cost-Benefit Analyses and Public Hearings for Major State Funded Projects
- Incorporate Long-Term Goals Into Today's Budget Decisions

Small businesses are the lifeblood of our economy. Over the first 7 months of 2016 there have been 18,469 new businesses started in Connecticut! We must encourage this kind of growth, help people start their business, and get to the next level.

Adam supports the efforts to:
- Develop an "Angel Investors" Program to Provide Additional Capital to Small Businesses
- Create a 1-800 Number so that Business Owners can Easily Find State Services
- Identify Ways for Small Companies to Pool Resources to Achieve Cost Savings
- Remove eligibility barriers so Small Businesses can Compete for State Contracts
- Invest in Transportation for Better Roadways which Creates Good Jobs

Vote Tuesday, November 8th

Adam Heller for Shelton's State Representative

Adam Will Work for You

Adam will work to balance the budget – but not on the backs of working families in Connecticut. Unlike his opponent, who votes with his party over 95% of the time, Adam will work across the aisle to find solutions to our budgetary problems. As your State Representative, Adam will emphasize focusing on small business growth, better transportation in our region, and create an economic agenda for working families that alleviates their economic pressures.
