

Adam Heller

Connecticut is a beautiful state, with a wonderful quality of life. Even though Adam's opponent isn't interested in applauding all the good things about Connecticut – like our location, work force, and growing businesses - Adam is proud of Shelton and our State. He believes that we must take pride in the contributions that every citizen can make, including our seniors.

Adam proposes to:

- Eliminate the State Income Tax on Social Security Payments for our Seniors
- Provide Support for our Growing In-Home Care Workforce
- Expand Support for Aging in Place Programs
- Focus on Patient Health First and Foremost
- Invest in Transportation for Better Roadways

It's time for a change. Adam Heller will work for you. Adam is endorsed by Congressman Jim Himes, Congresswoman Rosa DeLauro and the AFL-CIO, representing thousands of hard-working men and women.

Vote Tuesday, November 8th

Adam Heller for Shelton's State Representative

Adam Will Work for You

Adam Heller knows that voting “no”, time and time again, is not a plan – it’s *political stonewalling*.

Jason Perillo has been in office 10 years and he has passed the time with nice press releases and photos. Jason Perillo proudly touts his “no” agenda, but he is the first person in front of the cameras when state funds are allocated to Shelton.

With a policy like that, it’s no wonder that Mayor Lauretti did not support Jason Perillo in his re-election bid, and Connecticut Republicans did not support him when he ran for Republican Leader of the House.

Paid for by Heller for State Representative. Approved by Adam Heller.
